**Calling all Creative Cassina members.** We will hold our usual competition for the most beautiful, creative table centerpiece for the February Luncheon! Many of you agreed to prepare a centerpiece, BUT we need 3 or 4 more! Please e-mail or call Marie Dodd if you are willing to participate: [mariewdodd@bellsouth.net](mailto:mariewdodd@bellsouth.net) or 638-4096.

The **Nominating Committee** has been appointed and includes Chair, Betty White, Joanne Scott and Becky Stephenson.

Active Member Wil Kampschmidt’s husband, Lao, died on Thursday, January 3, 2008. Details to follow. Associate member Frances Alford’s husband, Captain Wickford Alford, died on Thursday, December 20, 2007. His service will be at the St Simons Methodist Church on Monday, January 7th at 11:00 am.

Michaela Waddington, Awards chairman, has been working with Oglethorpe Elementary School on the Woodsy Owl Smokey the Bear drawing competition. She has also applied for 5 state awards.

As part of our participation in the Garden Therapy Program for the State of Georgia, we sent a \$50 donation to the Central State Hospital in Milledgeville. These funds go to the program to help the patients learn about gardening and taking care of plants. In past years we have contributed the felt stockings along with a financial contribution. This year, the stockings were given to Magnolia Manor for their Christmas cheer on their dinner trays.

We have been asked again to help the first grade students at Oglethorpe Elementary School plant seeds as part of the Coastal Historical Society program. This fun opportunity will take place on **February 12<sup>th</sup>**. Please let Frances (634-1410) know if you are interested in participating.

*Oleander Leaflets*, the District Garden Club Newsletter included photos and a story in their December edition about Cassina’s Halloween Happening and the Christmas Tour.

Utilize your **Garden Gateways**. This GCG publication contains much useful information.

See you at the meeting on Thursday,

*Frances Allen*
